**RE: Multi-Use Facility #840845**  
**Multi-Use Community Health Center, Amendment #7/Close-out**

Dear Mr. Isaac:

Enclosed you will find four copies of Amendment #7/Close-out to the above grant agreement. Our award with the Denali Commission that included your funding expired as of December 31, 2006. Although the Multi-Use Community Health Center has not been constructed at this time this grant will be closed out with the remaining funds of \$550.35 returned to the Denali Commission.

The Multi-Use Facility funds awarded have been used to purchase the steel building material that is now in Tanacross. If the building is not erected and in use for the intended purposes within one year the Denali Commission has the right to ask the Council to return the funds.

Please sign all copies of the close-out amendment, returning three (3) copies to me at the address below. I will return a fully executed copy to you for your files.

If you have any questions, please feel free to contact me at (907) 451-2731.

Sincerely,

Judy Haymaker  
Grants Administrator
